Find place

Collection	Dorchester Museum	Labels	Dullar Farm. South of Sturminster Marshall 1908 1908.26.1.	Date	20.7.76
------------	-------------------	--------	--	------	---------

Comments 1. poll edge = single flake scar, struck from centre back face. This has been ground in at tip of scar on front face, & scars of removals struck from the resultant platform on back face are all ground in. Grinding around this scar is separated from ground faces of rest of cell by distinct ridge.

2. "found when ploughing on Dullar Farm, 1 mile S. of Sturminster Marshall"
