Comments 1. Letter from Miss L.F. Chitty explains why she thinks this to be a collector's piece, 'thrown out as rubbish after the death of the owner & somehow brought as ballast or otherwise to the present site of its discovery'. Her reasons for this ~~are~~ is that she thought there was 'little likelihood of its having reached the region of the Malvern hills during the prehistoric period' (13.1.1932)

2. S. Piggott 1938, PPS 4, p. 101: no. 4.
