Find place Cold Hanworth, Lincs.

Collection

Lincoln Museum

Labels

Found at Cold Hanworth
about three feet deep in clay & sand
by a labourer draining
Jany: 1869 E.J.

9-07

Date

2.5.78

Comments

1. whole surface ground very smooth, but true polish only present extensively on blade, & both edge, whole of which is polished & rounded (while still retaining faceted appearance).
2. blade edge fresh, but not particularly sharp.
