Collection	Christchurch Mus.	Labels	N.F. Vinney Ridge 132/45	Date	28.7.78
			23/70		

Comments 1. poll edge is a flat scar. Because there is no grinding around it, probably impossible to tell whether or not this is an original feature. There doesn't seem to be any strong case against this, however.

2. grinding on middle of celt is little more than crushing.
