Find place

Collection	Chwickchurch	Two.
Labels	WINTON 1926	RH 355
Date	26.7.78	

Comments

1. Status of tell edge is not very clear. There is only one small scar that is not weathered, a therefore clearly recent. The other scar on the front face is ground in. Weather, this is so for similar scanning on back face is difficult to tell.
2. Rather rough. Flaked surface - ? white chert.
